Red Berries Fit to Eat  
Fracture in the Bank.

Berries are so dense on  
the bush that you  
cannot see the

structure of the bush. Berries  
shine in sun.

Deep red berries stand  
out against the blue

sky. Great Tits calling, dipping

Blue tits calling & eating  
the Hawthorn berries.

Branches dark on r. Light on L.  
Top branches already bare  
of leaves & berries. 25.10.2010

Furrows of brown earth  
or snow lead eye  
into pic.

Snow in sun is

yellow white, brilliant  
against storm sky.

p. grey cloud condenses

braderfully with i. bright  
snow at horizon.

Snow storm on its way.
